Gajanan Maharaj America Devotees Parivar

An Introduction

An effort to bring Shri Gajanan Maharaj (Shegaon) devotees together, create a "Gajanan" community and pass our spiritual legacy to the next generation (born and grown up outside India), has turned into a global mission with name as **“Gajanan Maharaj America Devotees Parivar”**.

Since 2007, we as **“Gajanan Maharaj America Devotees Parivar”** has been exploring different options/medium to connect devotees, to spread the teachings of Shri Gajanan Maharaj and to inspire others to overcome challenges of life by the teachings of Shri Gajanan Maharaj.

This parivar was also instrumental in establishing first ever Temple of Shri Gajanan Maharaj in USA at Atlanta at the beginning of year 2016.

Keeping the above purposes in mind, the Parivar has started and participates in the following activities –

Daily Naam-Japa – A daily activity for 30 minutes over tele-conferencing.

Monthly Naam-Japa – A 3 hour activity including chanting of Gan Gan Ganat Bote and Other Gajanan Maharaj related bhajans/chantings etc..

Weekly Global Parayan – Devotees from different geographic locations (India, US, New Zealand, UK to name a few) participate in this activity and complete a parayan of ‘Shri. Gajanan Vijay Granth’ in a week’s time by reading the chapter allocated to them by moderator during any time convenient to them during the week.

Online Quiz – A fun-filled way of re-iterating/re-visiting understanding about HIM based on the content of Shri. Gajanan Vijay Granth.

Holy Material Distribution – Holy material like Udi/Angara & Charan-teerth from Shegaon, Photos, Idols (for home as well as cars), Car Stickers, Pothe (Shri. Gajanan Vijay) in Marathi, Hindi, English & Telugu (especially for the kids, born/growing in US) is made available free of cost to those devotees in US who are in desperate need of it.

Introducing wish filling Vrat of Shri Gajanan Maharaj – By the direction of Shri Gajanan Maharaj, this parivar introduced a wish fulfilling vrat. Shri Gajanan Maharaj’s vrat is a superior vrat with quick yield of wishes. This vrat can be performed by any one and also the process of this vrat is very simple. It has been observed and experienced by many devotees that Shri Gajanan Maharaj fulfills all the wishes of HIS devotees and remembrance of Shri Gajanan Maharaj decreases obstacles of life.

Experience Sharing on the web – This unique weekly activity creates strong bonding amongst devotees and serves as a beacon to those devotees who feel like a stranded ship while passing through tough times.

Various discourses/discussion through Web-conferencing – Time to time scheduling of discourses by senior devotees for the benefits of devotees who are outside of India. The topics covered (not limited) are Gajanan Vijay Granth- a Light House, Gajanan Vijay Granth – Research and discovery, Maharaj Hote tari kashe, My Journey with Sadguru.
